Advocacy 101/ Legislative Bootcamp

Join O4AD for advocacy training in preparation for the 2019 session. O4AD is offering two trainings in 2019 – **Advocacy 101** – a one-morning workshop to introduce you to advocating on behalf of senior and disability issues. Learn the basics of advocating with your state legislators, as we get ready for the 2019 Legislative Session. Jumpstart your knowledge and skills to help advocate on behalf of Oregon’s seniors and people with disabilities. **January 10. Oregon State Library - Salem.**

Legislative Bootcamp - This workshop will go in-depth into the policy making process that determines budgets and statutes defining Oregon’s long-term care system. Learn more about legislative leadership, working with the media, leading other advocates in meeting strategies, follow up and relationship building, and message development. This workshop is for those who want to be leaders in their own communities, inspire participation of other advocates and spend more time in the Capitol and the District working one-on-one with Legislators. **January 17. Chemeketa Center for Building and Industry - Salem.**
