[HB 2020](#)

[Info](#) [Testimony](#)

Summary: Digest: Says that a company that gives work to people with disabilities must use people with disabilities for at least 50 percent of the work hours that go into making goods or doing services. Says what must happen if a public agency ends a contract for goods or services and a new company takes over. Says that the new contract must have a health plan as good as or better than the health plan in the old contract. Says the new contract can do this by joining a labor union's health plan or giving benefits as good as those in the Oregon Health Plan. (Flesch Readability Score: 64.0). Requires that qualified nonprofit agencies for individuals with disabilities employ individuals with disabilities for not less than 50 percent of the work hours of direct labor required for manufacturing or providing products or services. Requires that a service provider that enters into a contract with a public agency to provide goods or services after the public agency terminated or declined to renew a previous contract with a different service provider must in the new contract provide health benefits that are as favorable as, or more favorable than, the health benefits available under the previous contract. Permits the successor service provider to provide health benefits through enrollment in a health plan that a labor organization maintains or to provide health benefits that are as favorable as, or more favorable than, the benefits available under the Oregon Health Plan.

Relating To: Relating to qualified nonprofit agencies for individuals with disabilities; creating new provisions; and amending ORS 279.835 and 279.853.
