

Presentation to the 2025 Joint Ways and Means Subcommittee on Human Services

Office of Aging and People with Disabilities

Nakeshia Knight-Coyle, Ph.D.
Director

March 26, 2025

Agenda: Day Three

- I. **Safety and Regulatory Oversight programs and budget overview**
- II. Licensing and oversight overview
- III. Adult Protective Services overview
- IV. Closing remarks: Preparing for the demand ahead

Office of Aging and
People with Disabilities

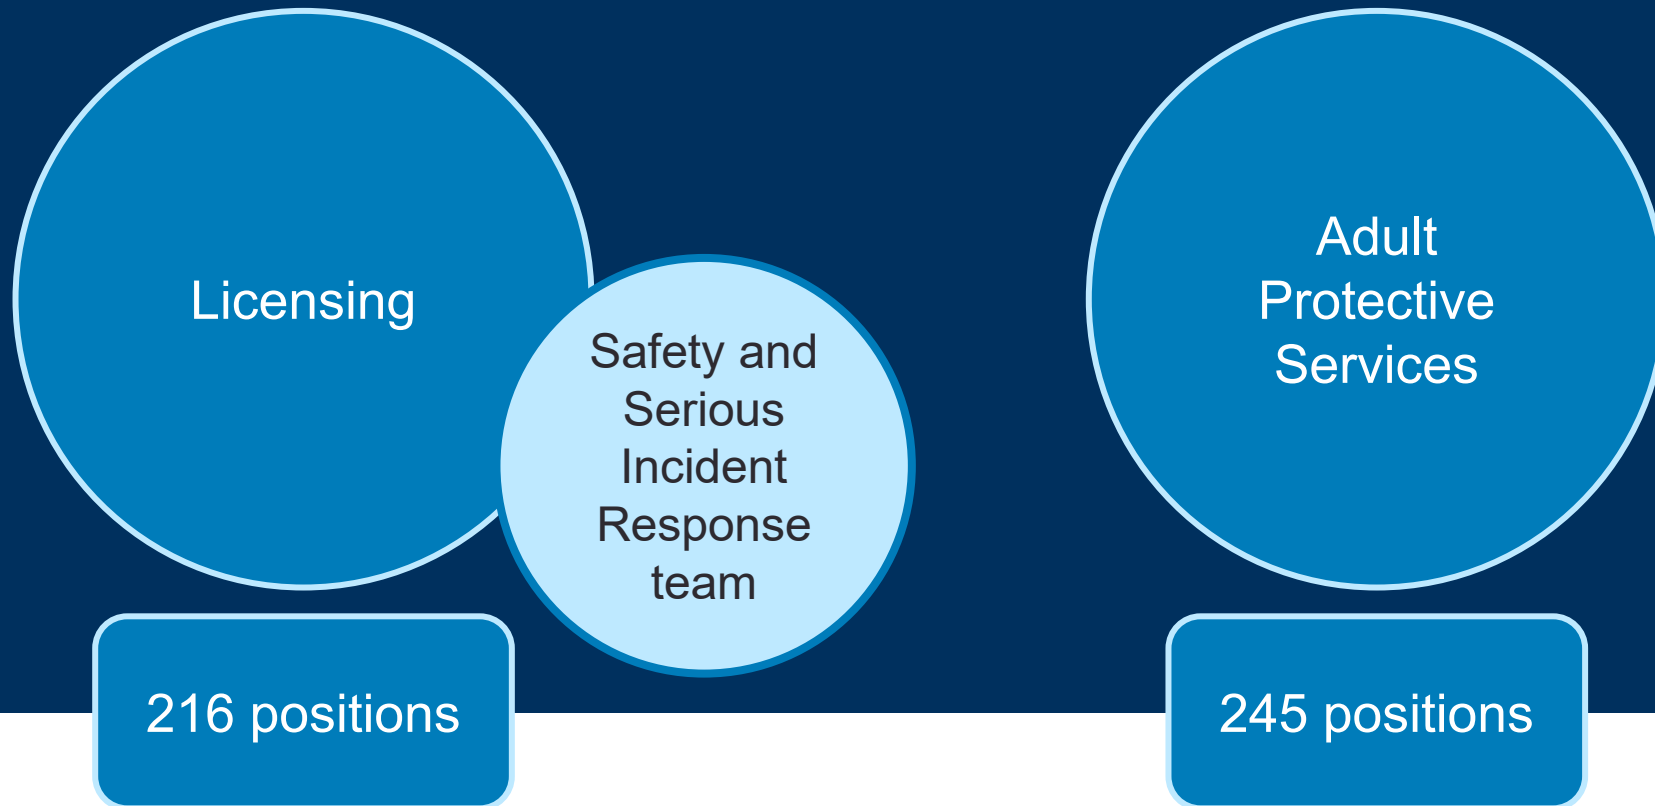

Safety and Regulatory Oversight: Program overview

Helping ensure older adults and people with disabilities are:

- Safe from harm
- Receive the care they need
- Have the support they need during emergencies

Safety and Regulatory Oversight: How we are organized

Safety and Regulatory Oversight: Federal Policy direction

1915(c) Waiver:

- Assure providers are qualified
- Assure consumers are protected from abuse, neglect

Federal changes in 2024:

- New HCBS access rules
- First ever national Adult Protective Services regulations
- New regulations enhancing nursing facility standards

2025-27 Governor's Budget by source: Licensing

APD total by fund type
\$6.9 billion

Licensing total by fund type
\$63.4 million

2025-27 Governor's Budget by source: Adult Protective Services

APD total by fund type
\$6.9 billion

Safety priorities and initiatives

Safety Action Plan

Site visits

Growing licensing inspection team

National learning collaborative

Serious incident huddles

Fatality reviews

Strengthening oversight

Major cost drivers: Safety and Regulatory Oversight

State and federal regulations

New facility owners

Resident care needs

Complexity of investigations

SB 811 and POP 101: Strengthening oversight to keep residents safe

Current state without any investment:

Facilities and homes may not have a full inspection for

12 to 24 months

unless a complaint is filed

- Problems may go undetected.
- Reactive responses lead to more citations and corrective actions.
- Increased licensing and abuse complaints.
- High turnover among owners.
- **Residents may be at greater risk.**

Future state with investment:

Inspection within

120 days

of a home or facility opening

- Identify licensing violations early.
- Proactive, preventative technical assistance.
- Better alignment with federal regulations.
- Potential to reduce turnover among owners and staff.
- Improve quality of care.
- **Reduce risk of harm for residents.**

Agenda: Day Three

- I. Safety and Regulatory Oversight programs and budget overview
- II. Licensing and oversight overview**
- III. Adult Protective Services overview
- IV. Closing remarks: Preparing for the demand ahead

Office of Aging and
People with Disabilities

Licensing and oversight: Overview

Licenses and oversees

1,919 facilities

to ensure older adults and people with disabilities are safe and receive quality care

Nursing facilities

**Assisted living/
residential care facilities**

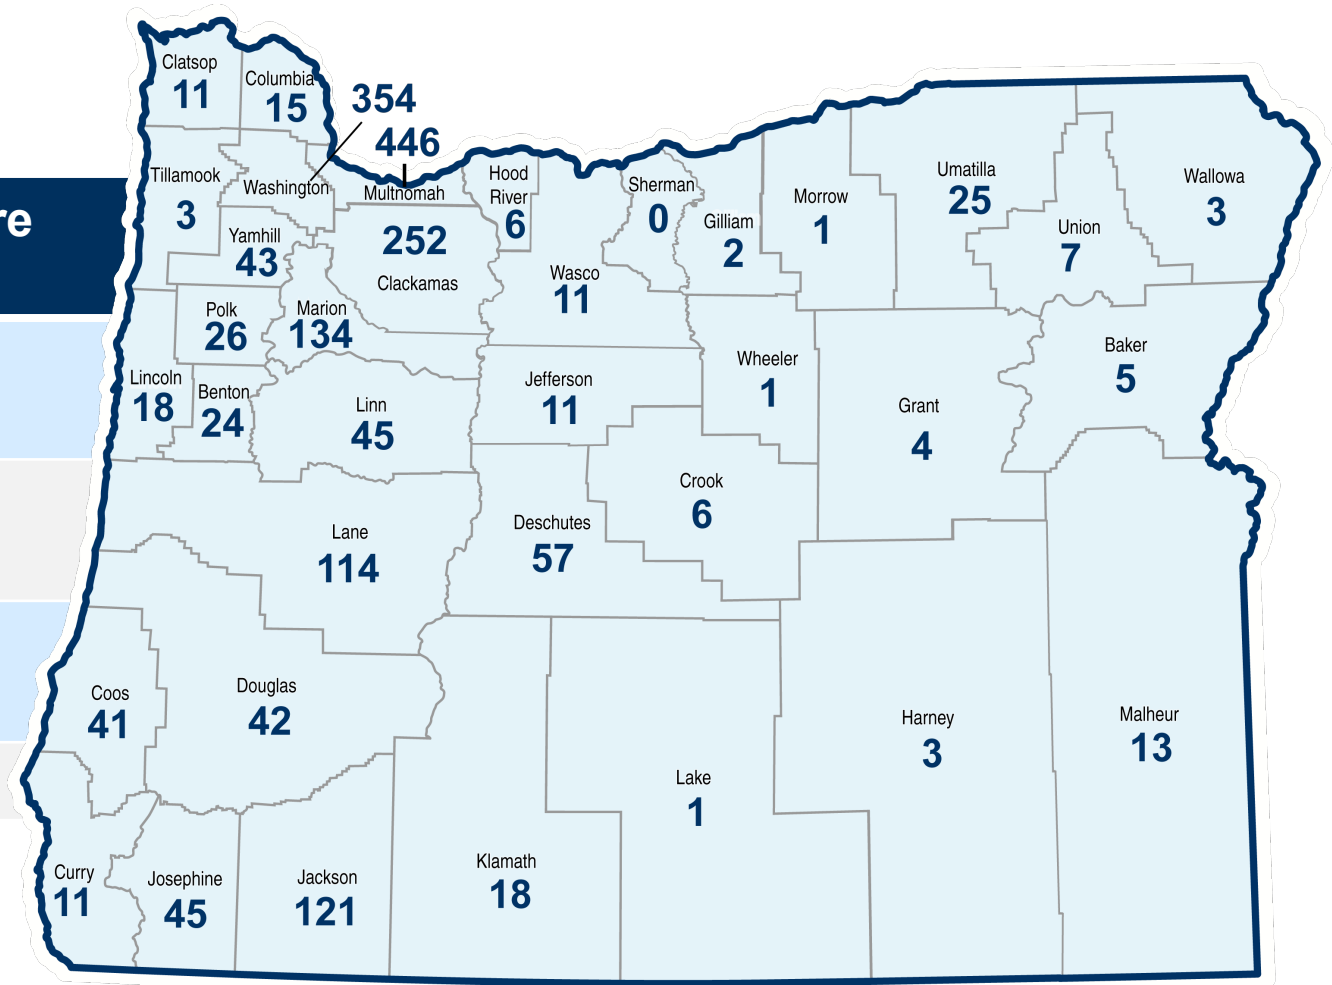

Adult foster homes

Licensing and oversight: Long-term care settings

Setting type	Number	Memory Care Endorsed
Nursing Facility	128	8
Assisted Living and Residential Care	567	250
Adult Foster Home	1,224	N/A
Totals	1,919	258

Licensing and oversight: How we monitor long-term care settings

216 staff provide licensing and monitoring

Nursing Facilities

- Annual certification and oversight of Medicare and Medicaid qualified nursing facilities
- Investigate complaints

Community-Based Care Facilities

- Licensing surveys every 2 years
- Annual kitchen inspections
- Investigate licensing complaints
- Review staffing levels
- Impose corrective actions

Adult Foster Homes

- Annual licensing renewals
- Investigate complaints
- Deliver training to new providers
- Impose corrective actions

Licensing: Key 2023-25 successes

Acuity-Based Staffing Tool (ABST)

Emergency Response management system

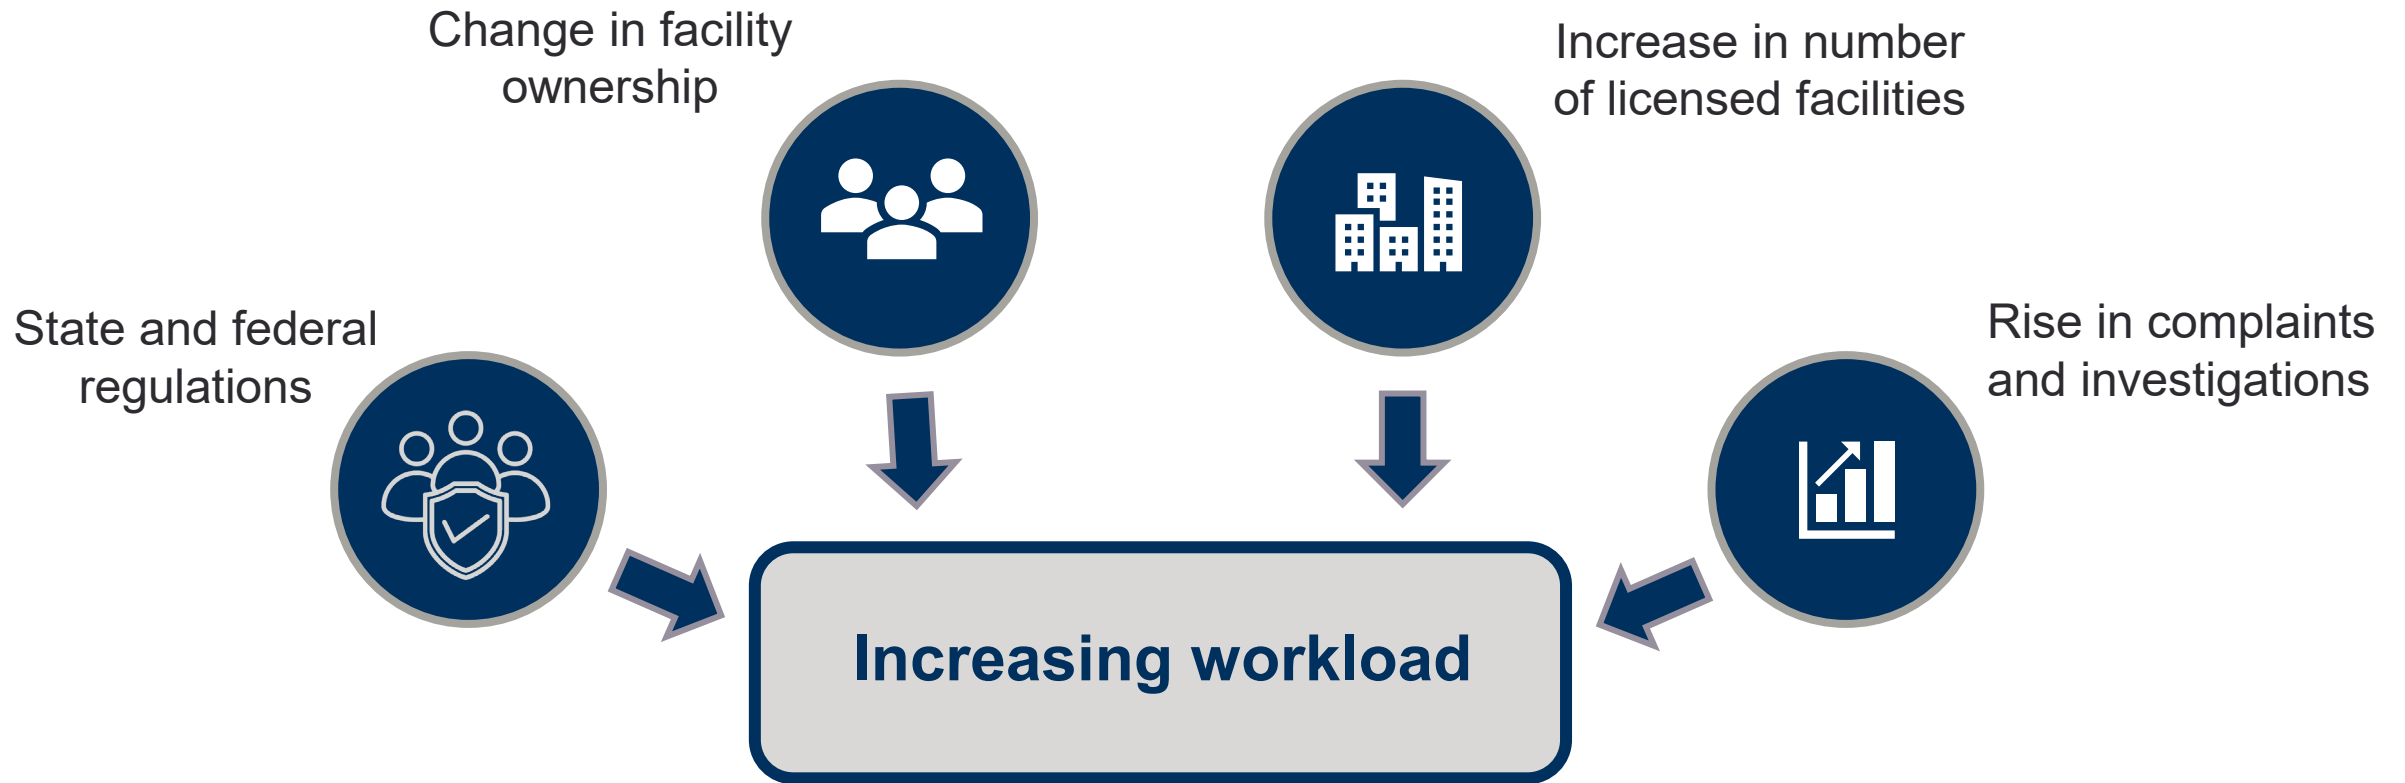

Recruited new Adult Foster Homes operators

Hired independent contractor to assess licensing unit

Capital improvement projects, including updating HVAC systems and technology

Senior Emergency Medical Services program pilot projects

Major cost drivers and challenges: Licensing and oversight

Cost driver: State and federal legislation

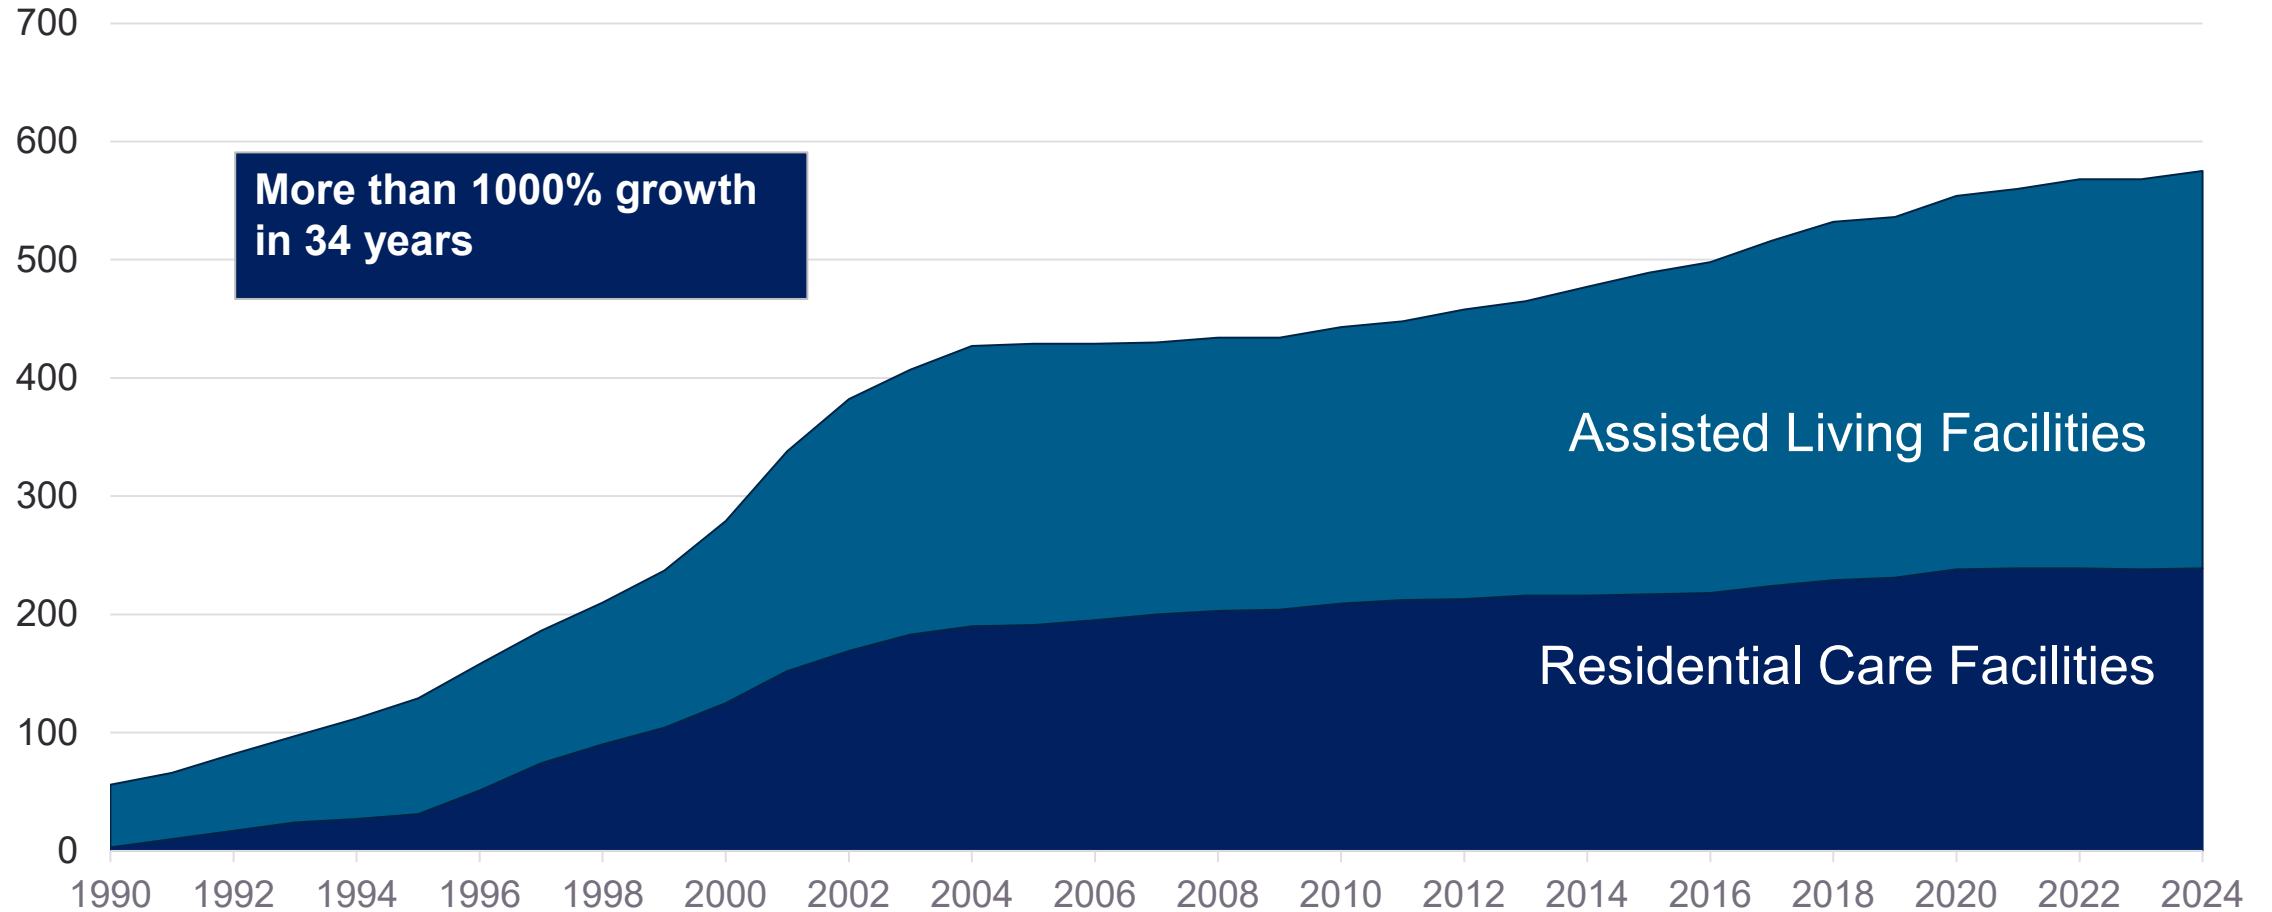

State legislation and federal policy requirements have significantly influenced APD regulatory environment and policy with a focus on quality care and protecting consumers.

Cost driver: Changes in facility ownership

Cost Driver: Increased in Licensed Facilities – Community-Based Care Facilities

Cost driver: Increase in Licensed Facilities – Adult Foster Homes

Cost driver: Licensing complaints

Cost driver: Rise in Nursing Facility complaints

Cost driver: Rise in community and facility abuse investigations

“I have the capacity to
make people’s lives
better. I love that.”

- Julian, APD Surveyor

Agenda: Day Three

- I. Safety and Regulatory Oversight programs and budget overview
- II. Licensing and oversight overview
- III. Adult Protective Services overview**
- IV. Closing remarks: Preparing for the demand ahead

Office of Aging and
People with Disabilities

Adult Protective Services: Overview

We process and investigate allegations of abuse toward older adults and adults with physical disabilities.

APS receives and responds to over

56,000 reports

every year.

Adult Protective Services: How we serve

Anyone can report abuse or suspected abuse in any of the following ways:

SAFELINE

1-855-503-SAFE

Local office

Any APD office

Any Area Agency on
Aging (AAA) office

In writing

Email

Fax

Mail

Adult Protective Services: How we serve

Adult Protective Services: Policy direction

State statute

Administration for
Community Living

Elder Justice Act

Adult Protective Services: Key 2023-25 successes

Appeals process for perpetrators of substantiated community abuse.

Docuseries and feature-length film highlighting our work to protect victims.

System upgrades in the centralized abuse management system.

Expanded training team.

Corrective action plan in response to internal audit.

Major cost drivers and challenges: Adult Protective Services

Complexity of investigations increased

More facility complaints

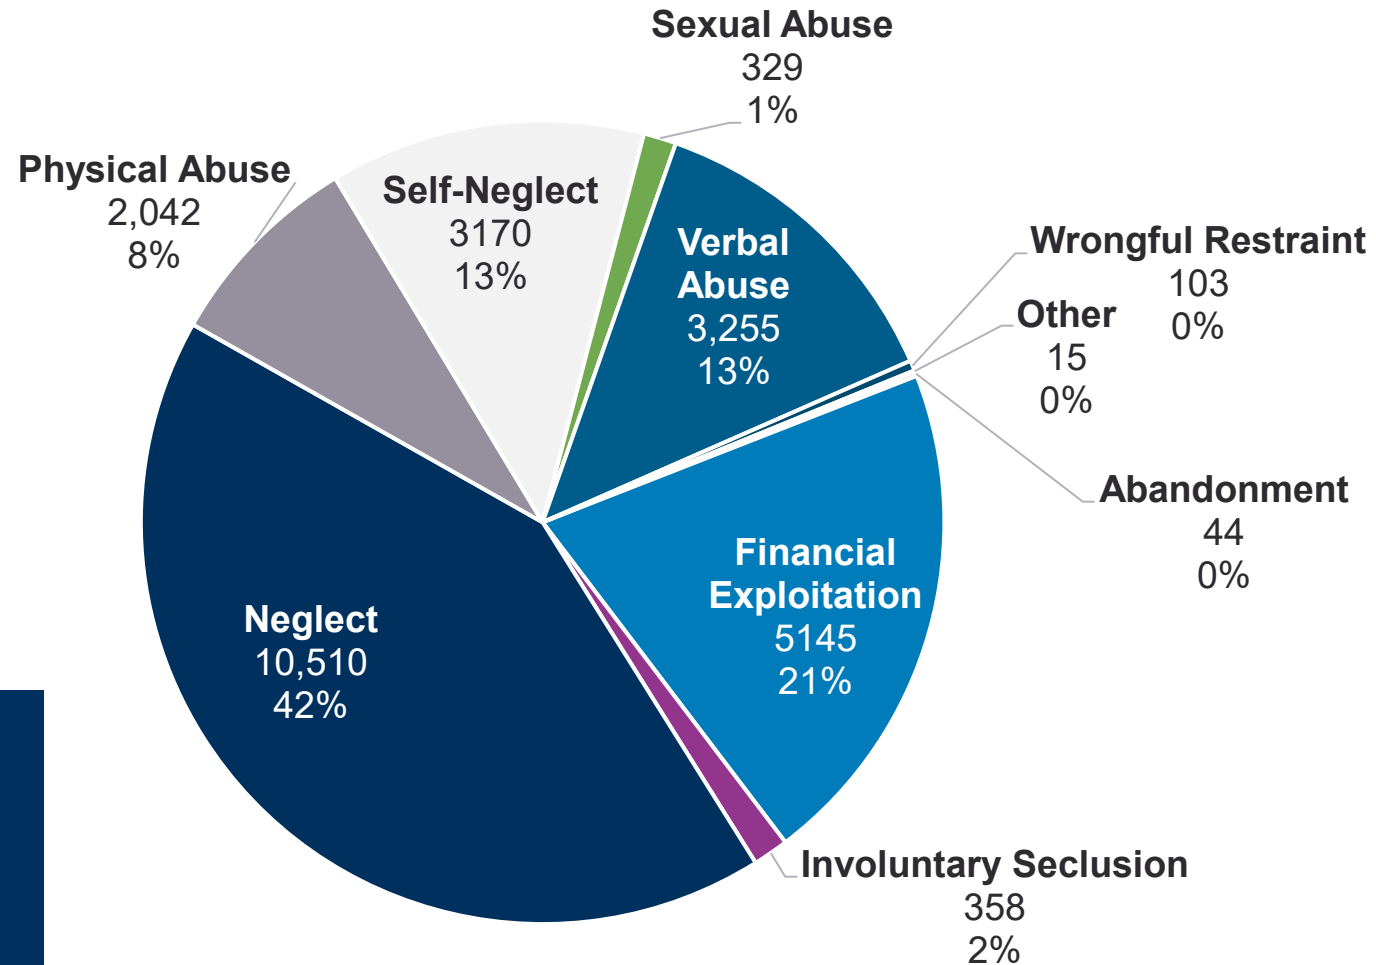

Due process for community APS added in 2024

Increasing workload

Adult Protective Services: 2024 abuse allegations investigated

56,297 total reports

18,535 total investigations

24,971 total allegations

Abuse investigations trends

Between 2019 and 2024:

- 236,646 allegations
- 141,548 investigations

Community due process

“I don’t think people realize how many seniors are out there that have absolutely nobody.”

“We don’t just do things by phone. We have to go see somebody face to face... You get a real glimpse immediately into their lives.”

- Patti Nelson, Investigator
Adult Protective Services

Closing remarks

Preparing for the demand ahead

How far we've come

TO QUALIFY, STATES NEED:

- A. A State Program proposal.
(Oregon has submitted this to the Administration on Aging and expects approval soon.)
- B. Matching funds for administration of the program.
(Oregon does NOT have this at the present.)

THE PROBLEM:

Oregon does not have the Commission on Aging in its budget at present. Members of the Commission serve as volunteers and pay their own expenses. Many hours of volunteer effort have gone into the developing of the proposed State Plan.

It will be February or March of 1967 before the State Legislature can consider a bill to put the Interagency Commission on Aging into the budget again.

In the meantime, a period of six to nine months remains in which we do not have available **matching funds** for administration of the Older Americans Act program in Oregon.

THE SOLUTION:

Individuals, groups, and organizations interested in Oregon's senior members may contribute toward a fund to provide half the administration cost (executive and secretarial help) for the six to nine month period until the Legislature can act.

GOAL: \$5,000 by September 1, 1966. Make checks payable to:

OREGON STATE SYSTEM OF HIGHER EDUCATION
Mrs. Marion Paulsen
126 Finance Bldg.
Salem, Oregon 97310
For: Commission on Aging

STATE OF OREGON -- PROPOSED PLAN

- ✓ Develop local committees on aging in all communities to stimulate and develop projects which assess needs and provide services that will enhance the use of existing resources and addition of new resources.
- ✓ Develop improved techniques in mass media for the purpose of promoting continued civic participation and educating the public concerning needs, programs, and conditions of the aging.
- ✓ Establish additional library and adult education service.
- ✓ Develop housing projects.
- ✓ Develop services in nursing homes.
- ✓ Develop health related programs and cooperate with and coordinate, as feasible, existing programs in physical and mental health.
- ✓ Develop or conduct preretirement and retirement education and information programs.
- ✓ Increase employment opportunities.
- ✓ Expand services in existing senior centers.
- ✓ Promote recreation programs outside senior centers.
- ✓ Establish multipurpose senior centers.
- ✓ Establish and provide social service to the homebound.
- ✓ Establish and provide information, referral and counseling services.
- ✓ Train nursing home personnel; other short-term training for professional and nonprofessional groups serving older people.
- ✓ Establish and provide employment referral service.
- ✓ Establish and provide protective services, with both social and legal components.
- ✓ Foster maximum utilization of existing resources through coordinating community planning.

Sec. 8.3, State of Oregon, "Proposed State Plan for Aging," May 31, 1966

The work ahead
